Description :

Prsentation de l'diteurIn Expendable, the first volume of the League of Peoples, Festina Ramos is assigned to escort an unstable admiral to planet Melaquin. Little is known about Melaquin, for every explorer whos landed there has disappeared. Its come to be known as the planet of no return, and the High Council has made a habit of sending troublesome admirals there in an attempt to get rid of them. Its clear that this is intended to be Ramoss last mission, but she doesnt plan on dying, no matter how expendable she may be.
