## Description :

Prsentation de l'diteurAveralaanthe most ancient of cities, had long been the home of magics both dark and bright. For the site where this most civilized city of mortals now stood had once been a dread place indeed, a citadel of evil ruled by the Lord of the Hells. Only through the greatest of sacrifices had he been contained and cast back into his own dimension. And though the passing centuries had all but obliterated the memories of that terrible time, trouble was once again stirring in the hidden byways of Averalaan.The first warning that the Dark Lords minions were at work came from a pack of street rats led by a young woman gifted with

the ability to see the truth even when it was hidden behind carefully spell-crafted illusions. And as she carried her warning to The Terafin, head of one of the most powerful families in the land, others, too, were rallying to Averalaans aid. Blessed or cursed by their Hunter God and gifted with his most unique creation, the Hunter Lord Gilliam and his huntbrother Stephen were about to do the unthinkable. Guided by the seer Evayne, they would journey beyond the borders of their kingdom, something no Hunter Lord had ever done.

For only in Averalaan could they find their true destiny, even if it meant facing the Dark Lord himself.
