Description :

Prsentation de l'diteurIce cream is universally loved and is at its very best fresh out of the ice cream machine. Homemade ice cream is actually easy to make, and can be made with a variety of nondairy milks perfect for those with dairy or soy allergies. Whether you avoid dairy products for health or ethical reasons, or to protect the environment, these frozen treats will rival any store bought gourmet ice cream. Lick It! elevates vegan ice cream to its creamy, dreamy best. Readers will find well-loved, traditional flavors plus a tempting variety of exotic and gourmet tastes made with herbs, spices, and liqueurs. And you can adjust the flavors and sweetness to your liking, using the choicest natural ingredients. From scooped ice cream, sundaes, sherbets, and sorbets to ice cream sandwiches, shakes and floats, you'll find all your ice cream parlor favorites complete with toppings and sauces! So swirl it, savor it, lick it! It s never been yummiier.Prsentation de l'diteurIce cream is universally loved and is at its very best fresh out of the ice cream machine.
