Prsentation de l'diteurThe mating moon is full... Rafael Villalobos is a werewolf without his wolf. The beast is rogue, gone hunting without him, making Rafe even more of a menace to his pack than the wolf hunters who hate them. He doesnt know what the wolf wantsuntil it leads him straight to the sassy, luscious Darling Rowan.Bitten by a rogue wolf that may or may not have been the sexiest Villalobos boy, Dare knows her quiet days as the county librarian are coming to an end. Shell be coming too, if she can just get a certain stubborn man to admit that the simmering heat between them is more than the mating moon._____Wolves of Angels Rest #1: HERO ~
