Yet despite hours spent perfecting the nose twitch; sadly I have to say that - so far at least - no magical ability has been discovered. Now I have to say it's looking unlikely, but remain hopeful. I was born in Kent in the UK and moved to France in 1998. I currently live, according to my husband, in LALA land but the rest of the time in the middle of nowhere in darkest Dordogne, as far from the real world as possible. I'm married with three daughters and a wild imagination. I like Tarot cards and anything creepy... except spiders. I worship at the altar of Florence + the Machine and am addicted to music, as long as it's LOUD! I love chocolate, think The Wizard of Oz is the scariest film I've ever seen and still believe in faeries ;) For more info about my work check out my website [www.emmavleech.com](http://www.emmavleech.com) Twitter: [@EmmaVLeech](https://twitter.com/EmmaVLeech) LaDameBlanche24 <https://www.facebook.com/EmmaVLeech?ref=hl> <http://www.wattpad.com/user/LaDameBlanche>
