Description :

Prsentation de l'diteurEmily McKay's The Farm is an addictive novel about twin sisters and their fight for survival in a world nearing chaos. For Lily and her twin sister Mel there is only the Farm . . .It's a prison, a blood bank, a death camp - where fear and paranoia rule. But it's also home, of sorts. Because beyond the electric fence awaits a fate much, much worse. But Lily has a plan. She and Mel are going to escape - into the ravaged land outside, a place of freedom and chaos and horrors. Except Lily hasn't reckoned on two things: first, her sister's ability to control the horrors; and, secondly, on those out there who desperately want to find and control Mel. Mel's growing power might save the world, or utterly end it. But only Lily can protect Mel from what is to come . . .The Farm takes you into a terrifying future where civilization has

ended, and leaves you there - fearful, gasping and begging to escape. Emily McKay's gripping book is not going to let you. Praise for Emily McKay: 'Equal parts Resident Evil and Hunger Games - and just as thrilling The Farm is a gripping dystopian tale that pits humans against humans in the race for survival in her remarkable and haunting world. I can't wait to sink my teeth into the next instalment!' Chloe Neill

Emily McKay loves to read, shop, and geek out about movies. When she's not writing, she reads online gossip and bakes luscious desserts. She pretends that her weekly yoga practice balances out both of those things. She lives in central Texas with her family and her crazy pets. She also co-writes young adult as Ivy Adams.

Revue de presse Equal parts Resident Evil and Hunger Games - and just as thrilling The Farm is a gripping dystopian tale that pits humans against humans in the race for survival in her remarkable and haunting world. McKay has spun a web of vampires, love, sacrifice, and survival readers won't want to escape. I can't wait to sink my teeth into the next installment! (Chloe Neill)

Présentation de l'auteur Emily McKay's The Farm is an addictive novel about twin sisters and their fight for survival in a world nearing chaos.
