Adventure Series! The first book is BETTER OFF DEAD Abandon Hope, All Ye Who Enter Here Lily Harper narrowly survived her first mission as a Soul Retriever in the first level of the Underground City. After that harrowing trip, she wants nothing more than some down-time, but as with most things involving the afterlife, nothing ever quite works out the way Lily wants it to. Her newest mission will see her traveling to the sewer aqueduct of the Underground City and later, the prison. But, luckily for Lily, she's got the hunky yet antisocial bladesmith, Tallis Black, by her side. And quite possibly unluckily for her, she's also got her guardian angel, Bill, who's up to his old, foul-mouthed antics. Between learning how to wield her sword, personal training with a hot-headed demon, traveling to the Underground City not one but two times and discovering that the leader of the Underground City harbors a curious fascination with her, Lily's hope was abandoned a long time ago. love reading H. P. Mallory's books. I think the humor is what I like the most. Or, maybe it's the steamy romance. I also love when the main character and her love interest are snarky with each other and H. P. is the queen of snarky romances. When I finish a book and feel sad that the next in the series isn't readily available I know it deserves a five star rating. --S.L. Gavyn After reading the newest book in the Lily Harper series, I must say that I am still very impressed with the series. Lily is growing into her role and Bill is as funny as ever. You learn more about my one of my favorite characters, Tallis Black, and you are beginning to understand him a little better. Reading his Scottish accent just makes me melt, that is my favorite accent and could listen to it all day long--reading it is almost the same. This story is a must read for anyone who like adventure and mystery because it is full of both.--Jan
