Description :

Prsentation de l'diteurFive years after a "limited" nuclear war, two survivors journey across America. They and you will discover what is left of our way of life: the depth of the devastation and the hopes of a new society desperately struggling to be born.From Edward Kennedy to Playboy magazine, readers have praised Warday as an absorbing, suspenseful novel and an important book for every American to read."A first-rate novel, as real as snapshots of tomorrow. And as scary." New York Daily News"Haunting horrifying engrossing an all too believable look at what could be the future." United Press International"Disturbingly plausible its vision of postnuclear chaos exceeds 'The Day After'." Newsweek"Imaginative entertaining reading." Boston Herald"Frightening controversial a futuristic thriller." Chicago TribunePrsentation de l'diteurFive years after a "limited" nuclear war, two survivors journey across America.
