## Description :

Prsentation de l'diteurThey must see beyond the pain of past to find a way to love."Who the bloody hell are you and why are you here?"When an apparent human-on-human shooting turns out to have non-human origins, vampire DI Philippa Audley is ordered to investigate. It would be easier, however, if she hadn't been ordered to work with Jasper Grayson, one of the legendary vampire warriors of the Crimson Circle. An old-fashioned relic of a bygone era with very peculiar notions of what a woman can and can't do is not an ideal partner for Philippa who has made a life's career of being the first vampire woman in everything. It doesn't help either that her late father, a Circle warrior himself, was Jasper's last partner.Jasper Grayson isn't very

accustomed to vampire women, let alone a woman as unique as Philippa who is used to giving orders and being obeyed. His Hunger compells him to protect her, but how is he to protect someone who refuses to listen to very reasonable commands to stay safe? And how is he to gain her trust when he is keeping a secret of her father's death from her? Black magic is afoot and a deadly enemy to vampires forces the pair to find a way to work together. But will they be able to put aside the demons of the past for a shared future? Two-Natured London series: 1. The Wolf's Call 2. Warrior's Heart 3. A Wolf of Her Own 4. Her Warrior for Eternity 5. A Warrior for a Wolf 5.5. Magic under the Witching Moon Presentation de l'diteur They must see beyond the pain of past to find a way to love. "Who the bloody hell are you and why are you here?"
