Description :

Prsentation de l'diteurIt was a flu season like no other. With the H1N1 virus running rampant throughout the country, people lined up in droves to try and attain one of the coveted vaccines. What was not known was the effect this largely untested, rushed to market, inoculation was to have on the unsuspecting throngs. Within days, feverish folk throughout the country convulsed, collapsed, and died, only to be reborn. With a taste for brains, blood, and bodies, these modern-day zombies scoured the lands for their next meal. Overnight the country became a killing ground for the hordes of zombies that ravaged the land.This is the story of Michael Talbot, his family, and his friends: a band of ordinary people trying to get by in

extraordinary times. When disaster strikes, Mike, a self-proclaimed survivalist, does his best to ensure the safety and security of those he cares for. Book one of the Zombie Fallout Trilogy follows our lead character at his self-deprecating, sarcastic best. What he encounters along the way leads him down a long dark road, always skirting the edge of insanity. Can he keep his family safe? Can he discover the secret behind Tommy's powers? Can he save anyone from the zombie queen? Encircled in a seemingly safe haven called Little Turtle, Mike and his family, together with the remnants of a tattered community, must fight against a relentless, ruthless, unstoppable force. This last bastion of civilization has made its final stand. God help them all.

Présentation de l'auteur It was a flu season like no other. With the H1N1 virus running rampant throughout the country, people lined up in droves to try and attain one of the coveted vaccines. What was not known was the effect this largely untested, rushed to market, inoculation was to have on the unsuspecting throngs. Within days, feverish folk throughout the country convulsed, collapsed, and died, only to be reborn. With a taste for brains, blood, and bodies, these modern-day zombies scoured the lands for their next meal. Overnight the country became a killing ground for the hordes of zombies that ravaged the land. This is the story of Michael Talbot, his family, and his friends: a band of ordinary people trying to get by in extraordinary times. When disaster strikes, Mike, a self-proclaimed survivalist, does his best to ensure the safety and security of those he cares for. Book one of the Zombie Fallout Trilogy follows our lead character at his self-deprecating, sarcastic best. What he encounters along the way leads him down a long dark road, always skirting the edge of insanity. Can he keep his family safe? Can he discover the secret behind Tommy's powers? Can he save anyone from the zombie queen? Encircled in a seemingly safe haven called Little Turtle, Mike and his family, together with the remnants of a tattered community, must fight against a relentless, ruthless, unstoppable force. This last bastion of civilization has made its final stand. God help them all.

Biographie de l'auteur Mark Tufo was born in Boston Massachusetts. He attended UMASS Amherst where he obtained a BA and later joined the US Marine Corp. He was stationed in Parris Island SC, Twenty Nine Palms CA and Kaneohe Bay Hawaii. After his tour he went into the Human Resources field with a worldwide financial institution and has gone back to college at CTU to complete his masters. He has written the Indian Hill trilogy with the first Indian Hill - Encounters being published for the Kindle in July 2009. He lives in Colorado with his wife, three kids and two English bulldogs. Visit him at marktuf.com for news on his next two installments of the Indian Hill trilogy and his new novel Zombie Fallout.
